

Website Flow & Structure

Public / Marketing Conversion In-App (Auth) Legal Integration

01 PUBLIC WEBSITE — MARKETING & DISCOVERY

02 CONVERSION — JOIN, SIGN UP & LOGIN

03 IN-APP — AUTHENTICATED EXPERIENCE

04 LEGAL & POLICY

DESIGN NOTES FOR THE TEAM

- ◆ **Voice:** No em dashes. No exclamation marks. No filler language.
- ◆ **Avoid:** 'loved ones', 'journey', or any parenting clichés.
- ◆ **Brand voices:** Tom Halloran (reflective, measured) — Clare Quinn (warm, precise).
- ◆ **Colour palette:** TBD with brand agency. No direction locked yet.
- ◆ **Platform:** Framer preferred over Webflow for the marketing site.
- ◆ **Analytics:** Plausible — privacy-first. No cookie consent banner needed.

KEY USER JOURNEYS

Journey 1

New visitor → Waitlist

Home → Features → /join → Email confirm

Journey 2

Waitlist → Active user

Email invite → /signup → Dashboard → Write entry

Journey 3

Daily use

Login → Dashboard → Write Entry → History

Journey 4

Press & media

Blog → /press → Download kit
